

Delivery Policy & Charges

Revised 12/2015

- All deliveries are tailgate and assistance for unloading may be required.
- We collect all state taxes for the final destination.
- Once delivered, protection and security of the materials is the owner's responsibility.
- Deliver times cannot be guaranteed, but we will do our best to accommodate a customer.
- We assume no responsibility for property damage when instructed by an owner or contractor to drive or unload in a specific location.
- Drivers will have the final decision where a delivery can be safely unloaded or placed.
- Due to the nature of unloading, we cannot be responsible for materials that have shifted during the process.
- Claims for shortages or damage must be submitted in pictures and writing within 5 days of the delivery.
- A deliveries are subject to a fuel surcharge and possible delivery charges based on our delivery chart below.

Using the location key at below these tables, all deliveries that do not meet the minimum for FREE will be charged according using these charts and the vehicle requested/required. The value is based in the onetime actual delivery amount and not the value of the order. These rates do not include any fuel surcharges or taxes.
